

# LED FLOOD HEX36

## LEDWSH361

The HEX LED WASH is a massive wash light boasting 450Watts of LED power.

Using 36 x 12Watt RGBWA-UV 6 in 1 LEDs this wash light has lots of power to suit all your larger scale wash requirements.

This fixture has an IP rating of IP64 and is a fan free construction. Allowing you to place this outdoors, in tough weather for extended use. With a 22degree beam this wash light will light up buildings, walls or will work equally as well indoors in marquees or as a massive stage wash.

If you need lots of output across many colours and UV – this fixture is for you.
